Gate 3 is toward the upper-left corner of the map below and the grandstand is toward the lower-right. Note that the CPSC trailer was moved to the grill end starting in 2020.

- Display your SAABs@Carlisle dashcard prominently on your dash inside the car (the 8.5 x 11 card from Carlisle Events will not work for our voting). Dashcards are color-coded to match the map above.

People's Choice Voting

- Check out all the cars in each model and select your favorite. Voting is open from 8:00AM to 11:59AM. Vote from your smartphone using the link emailed to you this morning. We are not using paper ballots this year. **centralpennsaabclub.com/vote**
- To be eligible for awards, your car must remain parked in your appropriate class until after lunch service to allow time for us to validate the winners.

Name Tags and Meals

- The provided name badges must be worn to lunch on **Saturday**. This is very important because it shows us and the Carlisle Events staff that you are a registered attendee and that we are not selling food.
